In the heart of San Diego lies the San Diego Paradise Point Resort, a 44-acre tropical island located on the shores of picturesque Mission Bay, the largest aquatics park of its kind in California. Featuring over one mile of sandy beach and a full-service marina, guests staying at the Paradise Point Resort can immerse themselves in sunsports, deep-sea fishing, sailboating, and a host of other activities.

Recognized as a recreational haven, the resort offers guests a complimentary state-of-the-art fitness center and sauna, an 18-hole putting golf course, six swimming pools, including Southern California's only swim-up pool bar, six lighted tennis courts with professional instruction, bicycle rentals, a sand volleyball court, a 1.3-mile posted walking/running course, shuffleboard, and croquet. After an action-packed day, guests can relax and unwind with a massage offered by the resort's staff of professional massage therapists.

The resort's three unique and exciting restaurants offer the best of fine and casual dining, cocktails, dancing and upbeat entertainment.

Guest room and suite accommodations represent the ultimate in luxury, charm and ambiance. All accommodations are single-level and offer a variety of layouts.

Special nightly rates for the San Diego Paradise Point Resort are \$165.00 (U.S.) for a Single and \$175.00 for a Double. These rates are exclusive of applicable sales/room tax, currently 10.55%.

Check-in time is 4:00 p.m. and check-out time is 12:00 noon. Guests are permitted to check-in earlier or check-out later subject to room availability.

Attendees are encouraged to make reservations early as these special room rates are subject to room availability and are not valid for reservations made after 5:00 p.m. Pacific Time, September 29, 2001. (Once our block of special rate rooms are filled, other rates may apply).

To make your hotel reservation, please phone the hotel directly at 858-274-4630 or 800-344-2626; or complete the following hotel registration form and send it to the hotel by mail or fax using the address given on the form.

NOTE: Please sign up at the conference hotel, and please use our conference name when making your reservation. We understand that you are all on a budget, but so are we. We need your hotel room reservations in the Vis 2001 block at the conference hotel, or else the conference has to pay extra for the conference room rental. Because we have a heavy AV requirement, we have to book a hotel that has large conference rooms and high ceilings. There aren't many of those who will book a small conference like ours. Please help us out by supporting the conference hotel. We don't want to have to raise our rates to cover hotel penalties.
